

Assistance Application 2020

The Cherry Point Spouse Club (CPSC), formerly the Cherry Point Officers' Spouses' Club (OSC), on MCAS Cherry Point is a service organization composed of spouses of active duty and retired service members stationed on or living near MCAS Cherry Point. CPSC raises charitable funds from proceeds from The Whistle Stop Thrift Store. In the Spring, grants are made from the pool of these charitable funds to support activities that benefit military members, families, and surrounding communities.

The size of CPSC grants typically vary from **\$200 - \$5,000**, with the average grant being **\$1,000**. Organizations should apply for funding for their most critical needs, whether support is being requested for continuing existing and exceptional programs, or undertaking new or expanded programs. Projects should be sustainable, reusable and monies awarded will complete the project. CPSC strongly encourages organizations who will use funds to make an impact on our military community.

- Avoids duplication of service.

***Partial funds (>25%) must be raised by requesting organization**

****No proposal from an organization that has previously received a grant from Cherry Point OSC, now doing business as the Cherry Point Spouse Club, will be considered unless a report of expenditure of the previous grant has been submitted.**

To be considered, applications **must be signed by the appropriate board authority** or executive director, authorizing the grant application and agreeing to implement the proposed activities if funded. Applications for funding for a school must be authorized by the school's principal.
